Old Business

- *Membership Update*
Lloyd was unable to attend. Doug reported we have two new members.
- *Financial Update*
Doug reported the account balance at the end of June was \$6013. Payments have cleared the account and currently we have \$3554.39.
- *Web*
Liza recommends moving the domain name to Wix. Questions around the current website will need to be answered before the move can be completed. Kim will forward Jarvis Reid's contact info to Liza.
We are open to changing the name of the site to a .ca or photography if there are too many issues with moving from one to the other. Liza will explore the possibility of including an email contact through the new site. Chris would like to see one set up for info and another for members.
The cost is approximately \$200-250 per year and \$20-25 per month to have email use added.
Liza suggested when we are on the web and see a site that has something we like to do a screen shot and forward to her. Liza will try and incorporate the design into ours.
We would like to see a "Testimonial" section where members can add their experience(s) with the photography club using 200 words or less.

Field Trips

Janice was unable to attend.

Upcoming Club Meetings

- *August – High Shutter & Water*

Christine and Robert will take the lead. It will be a fun night of experimentation. We'll use 4-5 vases with water and food colouring. Ideas include using a bucket with a tennis ball to create a splash. Have cups/glasses with milk and drop fruit into them.

Robert will ask the Polo Club if they would be interested in the photo club taking their photos while they are practicing at Muskoseepi Park on Monday night. If they will be there and are in agreement we will move the meeting to this location. Robert will let Chris know by Thursday evening.

- *September – BBQ at O'Brien*
- *October – After Dark*
- *November – Creative Composition (Burt or Callista)*

New Business

Maj will post an event for "World Photo Day" walk on August 19th. Watson's Foto Source will print an 11x14 print and put on their wall for anyone who participates in the walk. Maj will give a list of the participants to Watson's and will hand out the club's business cards to help promote the photography club.
